Case studies and Blogs

Primary

" NGRT has given us consistency in how we measure pupils' reading skills across our year groups and this has been hugely beneficial to the school. "

Jane Marker, Leader of Teaching and Learning, Roath Park Primary School, Cardiff.

Secondary

" Mind the Gap - The trouble with reading. "

Beccie Hawes, Head of Service, Cadmus Inclusive, Walsall.

Independent

" If the NGRT assessment hadn't identified the disparity between reading skills and reading comprehension , those pupils would not have been able to access their lessons. "

Emma Milton, Primary SEND and Key Stage 2 English Lead at Tudor Grange Samworth Academy.
